The Distiller Experience

*Admin Assistant & Salamanca Manager  
Old Kempton Distillery*

## About Me

I grew up in the North of the state around Launceston but have been in Hobart for the last 10 years. I love Tasmania and hearing about everyone's experiences while traveling.

## At Old Kempton

Emma started as a casual in the cellar door at OKD at the end of 2020. After deciding that the spirit industry was where she wanted to work, she took a chance that came up to her to become full time. Since then Emma has been working in the office learning the other side to running a business while still keeping her hand in the customer service side by working our stall at the Salamanca Market.

## Past Experience

Emma has spent 10 years working front of house in cafes and restaurants. This led to experience in shift and team management.

The differences in restaurant and café work allowed Emma to develop skills in a variety of aspects, from barista training to high-end service to event work.
