- Communication
- Team Management
- Leadership and Management
- Creativity
- Problem Solver

At Old Kempton

Halley started at Old Kempton Distillery in 2016. Beginning in the kitchen then shortly after started working in the cellar door 1 day a week.

Working her way up, she then started working at the Salamanca markets and in production.

This lead to a full time position at Old Kempton Distillery as Cellar Door and Café Supervisor.

Past Experience

Old Kempton Distillery was Halley's first hospitality job. She previously worked as a roustabout on farms around the Local area.

Halley has a certificate III in Home and Community Care but realized that she prefers to be on the move all the time and doing different jobs. This is what she loves about working at OKD - the variety and customers.
