The Distiller Experience

About Me

Born and bred in Hobart, with a stint in South East Queensland from 2007-2020, I am a qualified electrician and have worked in a multitude of industries across the years. In 2023 I completed an Associate Degree in Applied Science (Fermentation and Separation).

Key Skills

- Brewing and Fermenting
- Customer Service Experience
- Electrical and Mechanical knowledge
- Out-of-the-box thinking
- Excellent problem solving skills

At Old Kempton

Nick started at OKD in early 2022 as an Assistant Distiller and was promoted to Distiller around a year later. Completing an Associate Degree in Applied Science (Fermentation and Separation) in late 2023, Nick is keen to bring his new qualifications to the on-site brewing planned for the near future, ensuring consistency across our spirit production

Past Experience

Nick has worked in many industries over his career, from Cinema Projection, Electrical installation and maintenance, Customer Service and Sales, to Bar work and Brewery work. He has found a new passion with Whisky and Gin in the past few years.
