# Tasmania's Artisan Distillery

Old Kempton Distillery is located in Dysart House, Kempton, in an 1840's colonial inn. It is an easy 40 minute drive from Hobart and approximately 2 hours from Launceston. We moved into the beautiful Dysart House in 2015 and opened our doors to the public in early 2016.

Our products are made with passion onsite by local Tasmanians with local ingredients. Old Kempton Distillery is a small craft Distillery and as such we focus on quality over quantity, our releases are all small batch.

The cellar door has two large charmingly restored dining rooms and a delightful Cask Lounge located in the main manor house, available to sit and relax while you enjoy some home cooked treats from the kitchen.

We cook with Tasmanian produce- our whisky pies, Devonshire teas and antipasto platters are some of the favourites.

The cellar door offers a wide variety of tastings of Old Kempton Distillery products – including Single Malt Whisky, a variety of Gin's and Liqueurs. Our Cellar Door stocks a range of Kempton made products, mementos and merchandise as well.

We offer Tours & Tastings daily, our Distillery School, Summer Sessions with live music, a wonderful Cafe and we are available for events, conferences or function hire.

Old Kempton Whisky Club is an exclusive club which allows customers access to once in a lifetime releases that are available only as part of the Club. It is free to join, offers many benefits and you only pay for the whisky you actually purchase. You also get free postage on all our products.
